Inspirations

By Jandalez

In Honor of

My Mother and Grandmother

Words they taught me

Cultivate good and decent habits
They are character building bricks
When they are all set together
We'll be on the path to a successful future

While you are building each day
Don't mind what people say
Some will flatter you

Some will slight you
Just continue on your way

As long as life last
And you don't worry about the past

Focus on the things that inspire You will perfect
your desire

Pursuing pleasure is fine
But knowledge and understanding make you
shine

Therefore, put business before pleasure
And that is much to treasure
